NAAC REACCREDITED - 'A' GRADE

Bioanalytical Sciences

- A. Title of the Workshop/Activity:** Orientation Session on "Opportunities in Pharmaceutical Industries"
- B. Background:** The Department of Bioanalytical Sciences which is an Interdisciplinary Science with a syllabus especially catering to the current Pharmaceutical Industry needs, in its inaugural month conducted an Orientation Session on "Opportunities in Pharmaceutical Industries" in collaboration with Pollux Life Science Solution, Mumbai (an affiliated training partner of Life Sciences Sector Skill Development Council, Maharashtra). Pollux Life Science Solutions has been conducting a training programme for students in Drug regulatory affairs and Pharmacovigilance in SIES College for the past 2-3 years with 90% placement rate and has a MOU with the College. These training programmes are under the aegis of "Skill India Development Initiative"
- C. Aims/Objectives:** The objective of the orientation was to introduce students to the "Skills Development initiative". To make students understand the role of the National Skill Development Council (NSDC)/ Life Science Sector Skill Development Council (LSSSDC) in promoting career opportunities in Pharmaceutical Industries. To introduce students Functional Training programme conducted by Pollux Life Science Solution which is beneficial to Educational Institutions and students participant and the investments of participants
- D. Location:** Mini Auditorium, Ground Floor SIES College of Arts, Science and Commerce (Autonomous), Sion (West), Mumbai- 400022
- E. Target audience/participants with expected number:** Postgraduate Science students from Chemical and Biological Sciences. Expected Number 60
- F. Date of the activity:** 31st August 2019
- G. Name of Resource Persons:** Mr Hemant Despande
- H. Outcome/Feedback:** The programme beneficiaries included faculty and Postgraduate students belonging to Chemical and Biological Sciences background. This orientation was a step taken by the department of Bioanalytical Sciences to bridge the gap between Academics and Industries, so as to make the participants realize that additional skills/ Training are necessary along with degree before venturing in Pharmaceutical industrial jobs market.

**A. Title of the Workshop/Activity: TWO CREDIT COURSE TITLED
"INTRODUCTION TO ASTRONOMY"**

B. Background: The two-credit course titled "Basic Course in Astronomy" was designed and planned in association with Khagol Mandal, a non-profit that has been engaged in Astronomy popularization in Maharashtra for the last 34 years.

As per the lecture plan which was distributed to the students at the beginning, lectures were to be held every Saturday from 3pm to 5pm. The first lecture was conducted on the 15th of November 2019 and the invited speaker was Dr Aniket Sule.

A total of 24 participants registered for the course. This included 20 students and 4 faculty members. Of the 20 students, 18 are eligible for the 2 credits allotted to the course.

A total of 15 lectures (14 Regular lectures and 1 Valedictory) with 31 Total contact hours were conducted. An overnight stargazing trip was arranged on the 20th of February 2020 that was the practical component of the course. The last lecture for the course was held on 29th February 2020.

The evaluation of the students was done on the basis of a 2/3 page lecture synopsis that were submitted by each student for every lecture. The synopsis was to include their understanding of the lecture with accompanying essential diagrams/images.

Some of the highlight lectures included a lecture on Cosmology and a lecture on Astrobiology. The valedictory function for the course will be held on the 10th of March 2020.

C. Aims/Objectives:

- To familiarize students to the field of astronomy and its relation with various fields of science viz. mathematics and biology.
- To understand concept of celestial objects and solar system.
- To attain the knowledge of evolution, classification, formation of stars.
- To learn the basic knowledge about cosmic threats.

DECLARATION

The project entitled "Expression and Purification of DYRK2 Kinase Protein" is being submitted by Ms. Sayyeda Anam Sayed Zulfiqar Ali, a student from Department of Biochemistry, SIES College of Arts, Science and Commerce, Sion, Mumbai as a part of her academic training. The work was carried out by her under my supervision and guidance, from 1st May, 2019 to 31st July, 2019.

The concept and hypothesis behind the research work and experiments were planned at Bhabha Atomic Research Centre (B.A.R.C.) by Dr. Amit Das and executed by the candidate under my guidance. The research work was carried out at B.A.R.C., Mumbai and data included in the thesis cannot be used for further analysis, grant application, reproduced, distributed, shared or published anywhere in any form without written permission from the investigator (Dr. Amit Das) at B.A.R.C.

Report on Mumbai Level Symposia “Dynamics of Financial Systems in the Digital Era” organized by Centre for Excellence, Department of Commerce and Department of Management Studies.

Centre for Excellence, Department of Commerce and Department of Management Studies organized a One Day Mumbai Level Symposium on “**Dynamics of Financial Systems in the Digital Era**” under the theme ‘Train the Trainer’ at SIES College of Arts, Science and Commerce in association with *Financial Planning Academy* on **Thursday, 5th December 2019.**

The symposium was focused to disseminate knowledge on Indian financial management systems, artificial intelligence and robotics and emerging job opportunities in the field of Banking and Finance for the faculties and keen learners across Mumbai. Financial Planning Academy has also sponsored partially for the smooth conduct of this event.

Inaugural Function:

- Chief Guest of the event was **Dr. (Mrs.) Shobhna Vasudevan**, Principal, Podar College of Commerce and Economics. She delivered a key note address on the topic – ‘Today’s scenario in economics and digitalization of the system’.
- Guest of Honour was **Dr. T.A Madhu Nair**, Ex-Dean, University of Mumbai who gave an insight about the essential role of the academic institutions which have to provide the knowledge of the current economical state to staff and students and make them digitally aware.
- **Dr. Uma Shankar**, Principal, SIES College of Arts, Science and Commerce welcomed the gathering.
- **Ms. Mahalaxmi Nadar**, Convener of the Symposia, introduced about the Mumbai Level Symposia and why it is the need of the hour to Train the Trainer who would build the career of the young minds in the future.
- **Mr. Vishal Gada**, Director, Financial Planning Academy delivered the highlights of the event and introduced the impact of the Symposia titles.

Plenary Sessions: The resource persons from Financial Planning Academy shared insightful and interesting information on the topic - “Dynamics of Financial Systems in the Digital Era”.

- **Mr. Kirtan Shah**, CEO and Co-Founder Ambition Learning Solutions delivered a talk on ‘Macroeconomics affecting the Financial Markets’. He addressed on how equity trading stock markets are playing a massive role in building an economy at whole. He bridged a gap between consumer and investments via savings.

- **Mr. Zaheer Sayed**, ACCA, Ex-Associate Director, Union Bank of Switzerland delivered a talk on ‘Artificial Intelligence and Robotics’ from layman’s perspective and illustrated industrial examples of data and computer science.
- **Mr. Tanuj Poddar**, CEO, Financial Planning Academy delivered a talk on ‘Emerging job opportunities in Banking sector’. He emphasized on training the present youth for upcoming bank exams.
- Session concluded with a summary in-order to brief the key points of the symposia and had Q & A session to keep it interactive and address on attendee’s doubts and details which was followed by a formal vote of thanks.

A total of **53 staff and students** from various colleges of Mumbai participated in this symposium. Out of which **27 were faculties and 26 were students** from under graduation and post-graduation courses.

All the participants who responded to the feedback have rated the Symposia Organization, Relevance of presentations and Facilities at the symposia site and reception / help offered as Excellent and Good and the organizing committee was well appreciated. Some of the participants suggested that this could be extended to practical application and visits to technology upgraded locations. The event was a grand success with participants keen towards more such sessions in future. The symposia sufficed to create awareness and provide information and insight about “Dynamics of Financial Systems in the Digital Era”.

About SIES College
The SIES College of Arts, Science and Commerce was inaugurated on 20th June 1990 by Shri Y. S. Chavan, the first Chief Minister of Maharashtra as a gift of the South Indian community to the newly-born State of Maharashtra. Affiliated to the University of Mumbai, the college has an impressive strength of over 4000 students drawn from all sections of this cosmopolitan city. Excellent results at various University and Board examinations, and covered awards and merit positions bagged by the students have placed the SIES College among the most outstanding institutions in the city. The students of the college, with their exemplary discipline, serious academic, extra and co-curricular pursuits and excellent rapport with their teachers, have greatly contributed to make this college a name to reckon with in academics and other fields. The college is graded 'A' with a CGPA score of 3.5/4.00. In the year 2018-2019 the college was conferred with Autonomous status.

About Centre for Excellence
The Centre for Excellence was setup on 8th August 2008. In order to churn out 'employable graduates' several courses are conducted under the umbrella of Centre for Excellence in the college premises, for the benefit of the students. The main objective is to provide opportunities to pursue professional courses and train students to make them globally competent, self-employable individuals. The vision of the Centre is also to enable the students to 'Learn while they Learn', which is becoming the need of the day with the rising level of independence among the youth of today. Almost 60% of our students come from the economically underprivileged section whose parents cannot cope with the cost of higher education, hence, this objective is the need of the hour.

SIES SWAYAM-NPTEL Local Chapter (ID: 260) was initiated in December 2015 to enable students to attain knowledge of IT standards through online platform. The Centre has brought many laurels like **DEQET President Award in 2011 and 2016**, American Society of Quality (ASQ), Mumbai UMC award, organized various successful events including **State - Level NPTEL Awareness workshop** in December 2018. The Centre has collaborated with various industries, organizations, and institutions to bridge the gap between Industry and Academia. **Through our Industry Associate - Financial Planning Academy (FPA)** this faculty development symposia 2019 theme is designed to bring out dynamical changes in the young students mind by training the academic trainers (Train the trainers).

Department of Commerce
The Department of Commerce was founded in the year 1991, with a vision to impart and upgrade knowledge in the field of Commerce and Accountancy. The Department has been vibrant in conducting workshops, guest lectures and activities to groom students towards diverse career opportunities and guiding them to participate in research based events. With two successful National Seminars on Service Sector and E-Commerce, the department is all set to travel with time into the dynamics of Indian financial system in the digital era.

Department of Management Studies:
The Department of Management Studies was established in 2005 with an aim to impart value based management education to our students. The curriculum of the course is regularly reviewed and updated to meet the contemporary industry requirement.

Our Industry Associate FPA:
Financial Planning Academy (FPA) - a division of Sykes and Ray Educorp Pvt. Our years of efforts have earned us the privilege to be India's first authorized educational partner for **CFP®**. Though our founding pillar has been learnings in Financial Planning, we have since then evolved and helped achieve their stories through courses like **ACCA** which is a globally accepted professional qualification, an chartered accountancy and Banking program providing placements to students with private sector Banks.

Workshop Objectives

- To provide a medium to exchange views, ideas and the latest innovations in the arena of financial markets
- To encourage faculty members to develop and integrate research based insights into their teaching
