From being a service delivery organization, Pratham has evolved to be an innovator of methods of large-scale delivery. To support the growth and needs of the rural and urban programs, the continuous development of teaching-learning approaches, methods and materials as well as training are continuous ongoing activities.

**PRATHAM COUNCIL FOR VULNERABLE CHILDREN (PCVC)**

Pratham Council for Vulnerable Children (PCVC) serves as the Child Rights and Protection wing of Pratham, established in the year 2000, with the aim of “Every Child’s Rights Protected, Every Child in School and Learning Well.” Initially PCVC started as an outreach program in the urban slum communities of Mumbai, responding to the needs of children belonging to underserved communities emphasising on a specific segment of out of school and working children. Today, PCVC has grown from being an organization focused on working with child labourers, to a Rights-based and Resource organization, working on protection and safeguarding rights of children.

Subject: IWSA-SIES INTERNSHIP PROGRAM **January 2023**

Dear Dr Menon,

We appreciate your interest and efforts in bringing students of SIES for an internship program with IWSA. The NGO exposure in addition to the ratio of mentee : mentor learning experience has proven immense value in addition to the growth of the scientific temperament of the students. Our knowledge bank of accomplished experts from various fields of physical, social and natural sciences, soft skills, architecture, landscaping, pedagogy and others has been rendering honorary services for society but our organization requires the due to support the various activities from philanthropic and donations sources.

This is to certify that 30 undergraduate students from your college have successfully completed their project work during the period **January 10 to February 09, 2023**. The internship projects were a part of their curriculum 'research project submissions' that were jointly assessed by IWSA mentors other than those guiding them and the college faculty. We trust you for the confidence in us and look forward to the future internship programs.

Please find attached the student & project details, evaluation sheet, for reference.
